

## Poker Run Rules

### OVERVIEW

During the 2017 Viking Tour we will be hosting a "Poker Run." The object is to have the best poker hand at the end of the event. Having the best hand and winning is purely a matter of chance.

### RULES

All riders who want to participate will collect 5 playing cards to make a poker hand over the course of the ride. Riders collect the 5 playing cards as follows:

- All riders will receive one card at the start.
- Freyja (15 mile) riders will collect 3 cards at rest stop #1, and one card at the finish.
- Thor (30 mile) riders will collect 2 cards at rest stop #1, one card at rest stop #2, and one card at the finish.
- Odin (60 mile) riders will collect 1 card at rest stop #1, one card at rest stop #2, one card at rest stop #3, and one card at the finish.

Each rider will turn their cards in at the designated location at the finish where their poker hand will be scored. Poker hand scoring will be as shown on page two. Because we are using multiple card decks, hands with "Five of a Kind" are possible, but will be scored as "Four of a Kind". Prizes will be awarded to the three highest hands, regardless of route ridden.

Have fun and good luck!
